EDINBURGH

BY ALICE WHITE

It doesn't always rain up here!

HOW TO GET AROUND:

Foot – It may be hillier than your average city – but walking is the best way to get around and see Edinburgh.

Taxi – There are no shortage of taxicabs in Edinburgh. You can hail one in the street or go to a designated taxi rank.

Bus – An easy and cheap way to see the city. Main bus stations are at St Andrew Square and on Waverly Bridge.

SEE

Winter Wonderland | Princes Street Gardens
Cheap teen thrill for the festive season - ice-skating, Ferris wheel, sausages and mulled wine.

Arthur's Seat | Holyrood Park
Big cold hill in the middle of the city. Worth it for the huge sense of achievement when you're at the top and the view of the sea.

A short walk out of the city centre - always a famous name or someone who's up and coming on show.

The Fruitmarket Gallery | 45 Market Street EH1 1DF
See some of Edinburgh Art Colleges finest.

Graffiti Wall | Potterrow, Old Town
Really it's just a wall where very talented young people show off their can skills.
